

Police registration

Step1 Scan QR code

请使用微信扫码此二维码申报境外人员住宿登记。

Please use WeChat APP to scan this QR code in order to register for temporary residency.

Follow below steps

1 Log on short cut website I sent in the group chat

2

3

4

5

开始申报(Start Declaring)

登记查询(Query)

6 Upload Clear Headshot photo(Passport format)

7 Go back to step one and click query, A digital registration form will usually be shown **on the second day** if your submission is successful (you will only see a submitted status on the first day you register, if your information or photo is deemed invalid you will need to re-register or go to the police station and do it manually base on the query result.)

Scan Door QR

Check query and see if you are registered
